Shape the Future of Our Children - Volunteer as a School Governor

Could you help us ensure every child reaches their full potential? We are looking for passionate, dedicated, and community-minded individuals to join our School Governing Body.

We know that the best decisions are made when our governing body reflects the rich diversity of the community we serve. You do not need to be a parent or an education expert. We value fresh perspectives, diverse life experiences, and transferable skills. Whether you have a background in business, finance, healthcare, community work, or simply a desire to give back….your voice matters!

What does a governor do?

- Works alongside the headteacher to set the school's strategic direction
- Oversees the school's budget and makes sure resources are used effectively
- Acts as a "critical friend" to celebrate successes and challenge areas for improvement
- Helps ensure our school is an inclusive, welcoming environment for all children

Why volunteer?

- Develop your leadership, team-working, and decision-making skills.
- Make a tangible, positive impact on local young people and the wider community.
- Expand your professional network

What is the commitment?

- We hold 6 in-person meetings a year, with hybrid/virtual options. Full details about the role can be seen on our school website https://www.cherrygrove.cheshire.sch.uk/
- Full training and support are provided.

Join us! To have an informal, no-obligation chat about the role, please contact:

Sharon Clarke: sclarke@cherrygrove.cheshire.sch.uk

We welcome applications from all backgrounds, cultures, and age groups over 18.
